2026- 2027 Walkathon Sponsor Benefits

Friends of Skinner North ("FoSN") is a 501(c)(3) tax-exempt organization administered and supported by parent volunteers. Priorities of FoSN include fostering academic and social growth for students, teachers and staff of Skinner North Classical School, a Chicago Public School. FoSN fundraising initiatives supplement and support Skinner North with resources for technology, science, arts, physical education, Spanish, etc.

Community business support matters! While school sponsorships aid in marketing businesses to a broad and diverse audience of nearly 500 Skinner North families that span 20+ Chicago zip codes, the true benefit of supporting a Chicago Public School is, ultimately, helping to educate the community's children. FoSN Star Sponsor Benefits provide businesses a formal way to support Skinner North and receive community recognition and engagement in return.
